EU - Safety-data sheet according to (EC) No. 1907/2006 (REACH)

Material: L - paper, one side siliconized

Version: 4 Date of print: 07/02/2013 Date of revision: 06/02/2013

1. Identification of the Substance and of the Company

Identification L - paper

Use abhesive coverage for adhesive surfaces

Company

Laufenberg GmbH
Krüserstraße 2
D-47839 Krefeld-Hüls
Phone No.: +49 (2151) 7499 - 0
Fax No: +49 (2151) 7499 - 60
Contact Person: Dr. Roland Wilberger
E-Mail: r.wilberger@laufenberg.info
Emergency Phone No.: +49 (2151) 7499 - 449

2. Hazards identification

Classification according to Regulation (EC) No 1272/2008, 67/548/EEC or 1999/45/EC
This product is not classified as hazardous.
According to the current regulations there is no labelling requirement for the product.

3. Composition / information on ingredients

Chemical characterization
Label-Glassine paper, single side coated with polydimethylsiloxane.

Hazardous ingredients
None according to current state of knowledge.

4. First Aid Measures

General information

In case of inhalation	n.a.
In case of skin contact	n.a.
In case of eye contact	n.a.
In case of ingestion	n.a.
Notes for the doctor	none

5. Fire Fighting Measures

General
Combustible; extinguished reels need to be watched of a longer period due to danger of smoulder burn inside the reels.

Suitable extinguishing media all extinguishing media

Extinguishing media which must not be used for safety reasons none

Special exposure hazards arising from the substance or preparation itself
Smoke, carbon monoxide and carbon dioxide are originated in case of fire.

Special protective equipment for fire fighters none

Additional information none

6. Accidental Release Measures

Personal precautions	n.a.
Environmental precautions	n.a.
Methods and material for containment and cleaning up	n.a.
Additional information	none

7. Handling and Storage

Precautions for safe handling	none
Precautions against fire and explosion	none
Requirements for storage rooms and vessels	none

8. Exposure Controls / Personal Protection

Exposure limit values	none

Personal protective equipment

Respiratory protection	n.a.
Hand protection	Danger of cuts, wear suitable safety gloves
Eye protection	n.a.
Body protection	n.a.
Hygiene measure	common practice

9. Physical and chemical properties

Appearance

Form	solid
Colour	depending on colour of paper
Odour	odourless

Safety data

Flashpoint	n.a.
Boiling point	n.a.
Melting point	n.a.
Ignition temperature	> 250°C
Density	1.0 - 1.3 g/cm³
Solubility in water	n.a.
pH – Value	n.a.
Viscosity	n.a.

10. Stability and Reactivity

Conditions to avoid	none
Materials to avoid	none
Hazardous decomposition products	no decomposition when used as directed
Additional information	none

11. Toxicological Information

There is no labelling requirement for this product because of the general rating principles for preparations in the latest edition. With proper handling and when used as directed, according to our knowledge and the information available, this product does not cause any noxious effects.

12. Ecological Information

Ecotoxicity	As far as known no adverse effects on aquatic organisms
Mobility	No data available
Persistence and degradability	As far as known no disadvantageous effects in purification plant are expected
Bioaccumulative potential	No data available
Results of PBT assessment	No data available
Other adverse effects	No data available

13. Disposal Considerations

Product	Domestic waste / incinerators which are suitable for material containing silicone
Waste codes / waste designations according to AVV	200101
Packaging	Domestic waste / incinerators

14. Transport Information

No dangerous good in terms of transport regulations (GGVS-ADR/GGVE-RID, GGVBinsch ADNR, GGVSee/IMDG, ICAO-TI/IATA-DGR)

15. Regulatory Information

Safety, health and environmental regulations/legislation specific for the product

EU regulations	none
National regulations	none

16. Other information

Product

These data only describe the safety demands of the product and are based on the actual state of knowledge. They do not assure any characteristics of the described products in the sense of legal guarantee.

n.a. = not applicable
